Currently, legislative members would be entitled to \$129 per diem and a \$0.345 mileage reimbursement. Mileage and per diem for legislative members would be paid from the appropriations made to the Legislative Council or the Legislative Services Agency.

Lay members who do not work for a state agency would be entitled to \$50 per diem and \$0.28 mileage reimbursement. Mileage and per diem for lay members would be paid from the appropriations made to the Department of Commerce. Lay members who are state employees are reimbursed for mileage from their respective state agencies. Based on an average driving distance of 60 miles, the cost for per diem and mileage for one meeting should be less than \$1,000 if all members attend.

The Department of Workforce Development will staff the Commission. Commission expenses would be paid from appropriations to the Department of Workforce Development. The bill does not specify the number of meetings that will be held.
